THE STRIP CLUB 104 OPENING IN GREER STATION

(Greer, South Carolina) The Greer Development Corporation and the Greer Station Association are pleased to announce the opening of ***The Strip Club 104*** in Greer's historic downtown.

Created to inspire a new revolution in the tradition of steak houses, ***The Strip Club 104*** breaks out of the smoky darkness of the steak house of old and brings to Greer, SC a new take on the old tradition. The finest house-aged Black Angus beef, creative side dishes that mimic comfort food and an atmosphere layered in leather, color and light will make your visit an experience of the senses.

Brother and sister, Jason and Allison Clark, along with long time friend and experienced Chef, Manager and hospitality King, Jeff Dye join forces so the long journey to find the finest steak is just around the corner. Jason Clark states, "This is my passion. I just want to be able to make good food with a little creativity at affordable prices. Greer needs a good steakhouse that's consistent and approachable."

The Strip Club 104 is opening on Tuesday, May 10, 2011. Hours are Tuesday thru Saturday opening at 4:30pm. There is also a private dining room that can seat up to 28 people.

Allison Clark added, "We are really excited to be able to expand and still stay in Greer. This town has been very good to us, very welcoming and supportive."
