### ADVANCED ENVIRONMENTAL MAKES GREER LOCATION DECISION

(Greer, South Carolina) The ***Greer Development Corporation*** announced today that ***Advanced Environmental, Inc.*** is moving operations to their new location near I-85 and SC Hwy 14 in Greer, South Carolina. The company is moving sales and service operation into 10,680 square feet located at 201 Tandem Drive in Greer South Carolina. A total of 50 employees will be located at the new facility.

***Advanced Environmental, Inc.*** provides premier quality water products and services to a national and international market. The company has over 38 years of experience in water purification and filtration systems for both residential and commercial customers. Customers of ***Advanced Environmental, Inc.*** use a variety of systems that provide processed and conditioned water, Fresh Squeezed Water ® for drinking and cooking, and utility water. Their previous location was at 1200 Woodruff Road in Greenville.

“Our new Greer operation is a strategic move for us. Greer is in an excellent location that provides great access to the Upstate market and is one of South Carolina’s fast growing residential and commercial markets,” said Chad M. Henkin, Vice President of ***Advanced Environmental, Inc.*** “The Greer facility offers larger square footage that will allow us to grow our business. We see great potential for our sales and service team in Greer.”

“Greer welcomes ***Advanced Environmental, Inc.*** to our community,” commented Jerry Balding, Chairman of the ***Greer Development Corporation***. “We are experiencing a high level of new commercial growth. Adding ***Advanced Environmental, Inc.*** to the mix of quality businesses signifies we are headed in the right direction.”

“***Advanced Environmental, Inc.*** is a good company and an excellent fit for Greer,” said David Swenson, Executive Director of the ***Greer Development Corporation***. “Mr. Henkin and his team needed to make a new location decision and we helped provide market data and property opportunities for their review. ***Advanced Environmental, Inc.*** chose the best location option and we feel their decision is a win-win for the community and the company.”
