## ***BROTHER AND SISTER TEAM BRING SOUTHERN REGIONAL CUISINE TO HISTORIC DOWNTOWN GREER***

The ***Greer Development Corporation (GDC)*** is pleased to announce the opening of ***Bin 112*** in historic downtown Greer. ***Bin 112*** is open for dinner Tuesday through Saturday from 4:30 pm to 10 pm.

Jason Clark, with more than twenty years in the culinary side of the restaurant business, and Allison Clark, with fifteen years experience on the front of the house side, bring to Historic Greer a unique combination of fine food and wine. "I have worked hard to create a wine list that compliments our menu. I hope that I can inspire our customers to try something new and different," says Jason.

***Bin 112*** specializes in Southern Regional cuisine. The Clarks have transformed a historic building in downtown Greer into a modern restaurant with a soothing atmosphere, a full bar, a mouth-watering martini list and an extensive selection of wines designed to bring their customers a dining experience that will "break them out of the ordinary". With almost all of their menu items being offered either as full meals or smaller, appetizer portions, guests can come in and enjoy more than one of Chef Jason's creative dishes without feeling overwhelmed.

Allison Clark states, "Jason and I really liked the way Greer is growing, but it still has a small town feel to it. Downtown Greer has an air of class and sophistication when it comes to dining. We wanted to add to that appeal for the unique dining experience that is becoming a way of life for the Upstate."

"We welcome ***Bin 112*** to downtown Greer," said Wryley Bettis, ***Chairman of GDC***. "Bin 112 is a great addition to our community and downtown. It adds to the diversity of our restaurants and upscale dining. Our ability to attract restaurants of this caliber speaks highly for the community. We wish them great success," states Bettis.
