GREER POLICE DEPARTMENT ADMINISTRATIVE OFFICES FIND TEMPORARY HOME

The ***Greer Development Corporation (GDC)*** is pleased to announce the relocation of the ***Greer Police Department Administrative Offices*** to 509 West Poinsett Street. Hours of operation are Monday through Friday from 8:00 am to 5:00 pm. The administrative office is the location where reports will be obtained. To speak with an officer between the hours of 8:00 am and 5:00 pm Monday through Friday, please go to City Hall (106 South Main Street) and ask the receptionist to contact an officer. After 5:00 pm, please go to the Fire Department and use the phones located on the outside of the building next to the fire bays. Calls may still be made for police assistance to (864) 848-2151, (864) 848-2152, or 911. During construction the ***Greer Police Department*** will not be able to fingerprint citizens. Please go to your County (Greenville or Spartanburg) Sheriff's office for fingerprinting.

"The ***Greer Police Department*** is very thankful for the assistance of Melissa Thomas and the ***Greer Development Corporation*** in locating a temporary administrative office. The space we have located in is highly visible and convenient to our customers. It is spacious and a good working environment for our staff. We look forward to our final destination in the Municipal Court and Police Complex in the future," said Dan Reynolds, Chief of the ***Greer Police Department***.

"On behalf of the ***Greer Development Corporation***, we are pleased to have had the opportunity to help Chief Reynolds and the ***Greer Police Department*** to locate space in Downtown Greer while their new building is being constructed. Along with the new Greer City Complex, the new Police and Courts building is an exciting addition to downtown Greer and a signal that downtown Greer continues to be a great place to do business," commented Reno Deaton, Executive Director of the ***Greer Development Corporation***.

Ed Driggers, City Administrator for the City of Greer, stated, "We are pleased we can continue to operate the Police administrative offices so close to our existing location. During our search for temporary offices, we intentionally looked for space which would minimize any inconveniences to the public. Our temporary location is within blocks of the existing PD and is easy to get in and out of."
