Protec Enterprises, LLC Announces Relocation to Greer, South Carolina

(Greer, South Carolina) The **Greer Development Corporation** is pleased to announce that **Protec Enterprises, LLC** has relocated its operations to Greer, South Carolina. **Protec Enterprises** will be occupying 6,000 square feet located at 570 Brookshire Road, Suite A in the heart of Gateway International Business Park located just off Highway 101.

Protec Enterprises is an ISO 9001:2000 certified minority business enterprise, currently employing eight employees. **Protec** has plans to increase employment to 20.

Protec provides solutions to production processes that are usually outside of the regular process flow such as batch production, assemblies and subassemblies, as well as inspection, rework, sorting and repacking. Protec also provides supply chain management for service parts and does warehousing and logistics services for its customers.

"We are very much focused on our processes that we have defined during our preparation for our ISO certification," said Michael Geschke, Program Manager. Protec has an international customer base including BMW Manufacturing, Draexlmaier Automotive, Contitech Fluid Technology, and Benteler Automotive.

"We are very happy with our new facility in Greer," said Carmen Geschke, President of **Protec Enterprises, LLC**. "We have found a location that we believe provides great access to our clients and will ensure that Protec continues to grow and to provide the very best in specialty manufacturing services."

"We thank Protec for choosing Greer," said Wryley Bettis, Chairman of the **Greer Development Corporation**. "Locating their business in Greer is important to us because it means new investment and another international company in our community. We see big potential for them in Greer and we will do what we can to make sure they are a growing and happy customer."

The Greer Development Corporation partnered with the Spartanburg County Economic Development Corporation in helping **Protec** to relocate. "The SCEDC was pleased to assist the Greer Development Corporation with this project," comments Carter Smith, CEO, SCEDC. "It was our pleasure to work alongside the Greer Development Corporation and Protec to secure a location for their facility in Greer, SC."
