FOR IMMEDIATE RELEASE

ROAD RUNNER CAR WASH OPENS IN GREER

Car Wash To Provide Faster service, Lower cost and Greater Convenience

Greer, SC (May 30, 2006) – Road Runner Car Wash announces the opening of its express car wash in Greer, South Carolina on Monday, June 12, 2006. The facility, located at 6050 Wade Hampton Boulevard near Suber Road, is owned and operated by partners Daryl Duwe, Renee Grosse and Colleen Sagan.

Road Runner offers express exterior tunnel washes with free self-serve vacuums. The benefits of an express wash include faster service, lower cost and greater convenience. Express washes provide the same quality and use the same "tunnel" setup as full-service car washes, but drivers stay in their own vehicles as the outside of the vehicles are cleaned. The cost of an express wash is also much less than a full-service wash and provides self-service car wash customers with a quality alternative. Road Runner offers cleaning packages between \$3 and \$10 and provides 16 free self-service vacuums for its customers.

The express exterior concept, while new to the Upstate, has proven extremely popular in other areas of the country. According to the International Car Wash Association, there are approximately 7,500 express washes nationwide, many of which are in the southeast.

The partners chose to open a car wash in Greer based on the projected growth in the area. "We saw the surge of residential and business developments, and we knew Greer would be a great location for our car wash. We saw this as an opportunity to offer something new and innovative," said Daryl Duwe. Road Runner will initially hire between five and eight employees and will be open Monday through Saturday from 8 a.m. to 8 p.m. and Sunday 12 p.m. to 5 p.m.

"This is a great announcement for Road Runner Car Wash and Greer," stated David Swenson, Executive Director of the Greer Development Corporation. "Road Runner Car Wash is in a great location and in one of South Carolina's fastest growing markets. Wade Hampton Boulevard has over 30,000 vehicles a day and it offers easy access to over 245,000 people within a 20 minute drive. The commercial growth of businesses in the retail, restaurants, automotive, and service sectors along this corridor has been explosive and we see more on the horizon. We congratulate Road Runner Car Wash on their new location and appreciate their investment in Greer, South Carolina."

Road Runner Car Wash offers quality car washes at reasonable prices. With touch screen auto tellers, a high tech cleaning system and free vacuums, Road Runner focuses on providing flexible, highly automated services that respect customers, their time and their vehicles.
